The ML Govt, have sanctioned the Subd proposals for increasing the supervising staff of the Health section of the Mlty by adding (1) one Senr Sanitary Inspector on Rs 55-4-67 + 5 CA (2) 8 Asst Sanitary Inspectors on Rs 25-1-35 + 5 CA each (3) 10 Sanitary Duffadars on Rs 15 each p.m. The total extra cost is estimated at Rs 5,352 p.a. The report of the Health Officer explains in detail the necessity for this staff (vide Flag W)

Reference is also invited to the statement flagged R which gives information about the additional establishments sanctioned for the Health Section of the ML Force during the past 1½ years. It will be seen therefrom that so far all the establishments asked for have been sanctioned. There has been an increase in the expenditure on establishment both on

the Health & Engineering sections of
the Ministry. There are still some
more proposals pending & awaiting
the receipt of the Surveyor's Report,
& on the report of the Special Inquiry
Officer

While it is true that the city has
expanded in several directions, it seems
that there should be almost no need
for establishment to be maintained for Health
purposes over and above those covered by
the present staff. One Sanitary Inspector, & one
Clerk in the Health Office for the
Completion of statistics & preparing work in
taking action for the prevention of epidemics
etc is not knowing this additional
necessary. Each Sanitary Inspector must
do help of the Asst Sanitary Inspectors, the
Sanitary Overseers & Sanitary Inspectors in
charge Divisions should be in operation to take effective
& steps action in such occasions. There
is also another Asst Health Officer to
give full time whose duties will be
Completion of statistics in the Health Office,
there is a clerk in the Health Office,
Overseers therefore no necessity to have
another Sanitary Inspector for him,
He will be another assistant to the
Health Officer, if sanctioned

I have the honour to state that a proposal for the entertainment of the marginally noted additional staff at a cost of Rs 4,992/- per annum to supervise the work of the sweepers and scavengers and to take prompt action to prevent the spread of infectious diseases in the City was placed by the Health Officer before the Health Committee

1 One Senior Sanitary Inspector on Rs 55-4-87 + 5 C A per month	Rs 912/- per annum	The latter Committee (at their meeting held on 25-10-45) approved of the same, with the addition of one more Asst Sanitary Inspector for the IV Division This resolution of the Health Committee was duly approved by the Council on 27-10-1945 The expenditure on this account during the current year will be met out of Rs 5,900/- provided in the current year's budget under "E2 (a)(5) Conservancy and Sanitation" and due provision will be made in the annual budgets in future
2 7 Asst Sanitary Inspectors on Rs 25-1-35 + 5 C A each per month	2,520/-	
3 10 Sanitary Daffedars on Rs 13/- each per month.	Rs 1,560/-	
	Rs 4,992/-	
1 Additional Asst Sanitary Inspector on Rs 25-1-35 + 5 C A per month for the IV Dn as approved by the Health Committee and Council	Rs 360/-	
Total Expenditure	5.352/-	

A copy of the resolution of the Council together with a copy of the Health Officer's report explaining the necessity

for the entertainment of this additional establishment, is herein enclosed for favour of obtaining the sanction of Government to the resolution of the Council.

Report of the Health Officer, Bangalore City Municipality dated 24-10-1945

Submitted to the Municpal Commissioner

The City has grown in extent and population in recent years but the supervisory staff continues to be the same On account of the increase, in length of roads, drains and inclusion of some Hamlets with the Municipal limits, 100 Additional Sweepers have been sanctioned, bringing the total number of sweepers to 1053 To supervise their work 15 Asst Sanitary Inspectors have been sanctioned as per statement appended from which it could be seen that VI Division including Kalasipalyam, Parvathipuram, Visveswarapuram, Mavalli, New Bamboo Bazaar, Karagappa Garden has 2 Asst Sanitary Inspectors, the VII Division extending from Basavanagudi to Mysore-Road has only 2 Asst Sanitary Inspectors, the VIII Division which includes Basavanagudi, Gavipuram Extension, Narasimharaja Colony, Kankanpalya and Siddapur has 2 Asst Sanitary Inspectors, the whole of IX Division has only 1 Asst Sanitary Inspector, the II Division though divided into 2 divisions is having only one Asst Sanitary Inspector and one of the senior Sanitary Daffedars has been asked to look after one Division Each division is too vast for one Asst Sanitary Inspector and an additional Asst Sanitary Inspector is therefore required

The jurisdiction of each Asst Sanitary Inspector is so extensive that it is impracticable for him to effectively supervise the work of the sweepers It is necessary to sub-divide these divisions into convenient areas and to place one Asst Sanitary Inspector in charge of each with the necessary number of Daffedars under them I propose that 7 additional Asst Sanitary Inspectors and 10 Sanitary Daffedars be sanctioned to be distributed as shown in the statement Unless the supervisory staff is sanctioned, it is no good sanctioning the additional sweepers

The additional cost involved in this proposal is Rs 4080/-

7 Asst Sanitary Inspectors on Rs 25-1-35 + 5 C A 30 x 7 x 12 =	Rs 2520/-
10 Sanitary Daffedars on Rs 13/- each 13 x 10 x 12 =	1560/-
	Rs 4,080/-

A provision has been made in the current year's budget to meet this expenditure

Control of Epidemic diseases, and verification of vital events and vaccinations are important functions of the Health Section Immediately a case of infectious disease is reported, investigation as to the source of infection, date of occurrence etc , has to be carried out and pending other preventive measures, the houses have to be disinfected and the cases segregated promptly There is a delay of 24 hours, as it stands, by the time the information is communicated to the concerned Sanitary Inspector and the Sanitary Inspector taking action In order to avoid this delay, if a whole time Senior Sanitary Inspector is available in the office, he could be deputed immediately for preliminary investigation and taking prompt action, without entailing any delay His services will also be useful to compile statistics in the office to check the Registration of Births, Deaths and to verify vaccinations The pay of a senior Sanitary Inspector is Rs 55-4-87 + 5 C A This hand will be very useful if sanctioned The extra expenditure involved is Rs 912/- per annum (average cost)

Total expenditure for the entertainment of 7 Asst Sanitary Inspectors and 10 Daffedars and one Senior Sanitary Inspector is

is Rs 4,080/- + 912/- = Rs 4,992/- per annum which exeeds the provision made in the budget for 45-46 by Rs 1,092/- The excess of Rs 1,092/- will be met out of the General Savings of the Health Section

The subject may be placed before the Managing Committee and Municipal Council for sanction The usual Dearness Allowance admissible to the officials will have to be paid
